

Water Jet High Pressure Road Line Removal Machine

Our Product Introduction

for more products please visit us on wagetrffic.com

Basic Information

- Brand Name: wage
- Model Number: HG-SSS
- Minimum Order Quantity: 1 set
- Delivery Time: 1 month
- Payment Terms: T/T, Western Union
- Supply Ability: 3 set per month

Product Specification

- Highlight: high pressure road line removal machine, water jet road marking remover, road marking removal machine with water jet

Product Description

This device causes minimal damage to the road surface. It simultaneously removes road markings and recovers the resulting debris, resulting in high efficiency and rapid processing of large road marking areas. It thoroughly removes markings and can precisely clean dirty, worn markings, leaving them looking brand new, by adjusting the pressure. It is suitable for a wide range of road surfaces and road marking types, making it an ideal choice for road marking removal.

Engine	Weifang Weichai Power desel engine
Engine power	132kw
Rotation	1500r/min
High pressure pump	110g high pressure pump
Bearing	JPNSK Plunger:Carbide φ20
Seal assembly	Impored molding seal,JP pressure regulating valve,DE high pressure meter
Filter system	Double stainles steel vertical filter three-stage filtration
Protection unit	Elec controlled pneumatic overpressure unloading overload protection device
Service medium	Room temperature water/municipal water/fire water
High pressure hose	German oniginl ultra high pressure hose(resistance 200Mpa)
Monitor unit	Computer monitoring instrument,high pressure pump auto monkoring device
Booster pump	Front booster pump.the max.6 Kg boost the pressure
Pressure	1600kg
Flow rate	32L/min
Oil tank capacity	250L
Water tank capacity	Stainless steel welded steel independent water tank,capacity:4000kg
Water tank size	1000*2000*2000mm
Host size	2500*1800*1800mm
Weight	2050kg
